Really useful app! I'm a keen cook but don't my cookbooks with me as I'm working abroad. Saves all the trouble of wading through them or trawling the internet, too!

**Fantastic app, all in 1 place, and accessible too for blind users...** 10mo ago  
★★★★★ monkey mummy 3

I've been delighted, to see this new App: very easy to use, with a screen reader too, if you're after a great app to aid you whilst cooking, look no further!

**Incredible Resource** 12d ago

On a lark, I did the free trial, knowing I wouldn't spend the money on a subscription. 2 weeks later I had greatly broadened both my culinary knowledge and skills. I use it daily and would not be without access to this incredible resource.

Love it. Brilliant app for searching recipe and technique cookbooks. An online way to flip through pages of great recipe books to help you decide which to purchase for your home resource library.

**No-risk recipes!** 1mo ago

Unlike the suggestions that google gives you when you want to find something to do with an odd cut of meat or a random selection of ingredients, CKBK suggests recipes that you can trust, from renowned books written by the worlds top cookery writers. Highly recommended.

**Good resource** 2mo ago

Love this app, lots of access to cookbooks that are old or difficult to get hold of. Easy to navigate around through the search engine and fun to browse.

**Fabulous and really useful** 1y ago  
★★★★★ Ellainstia

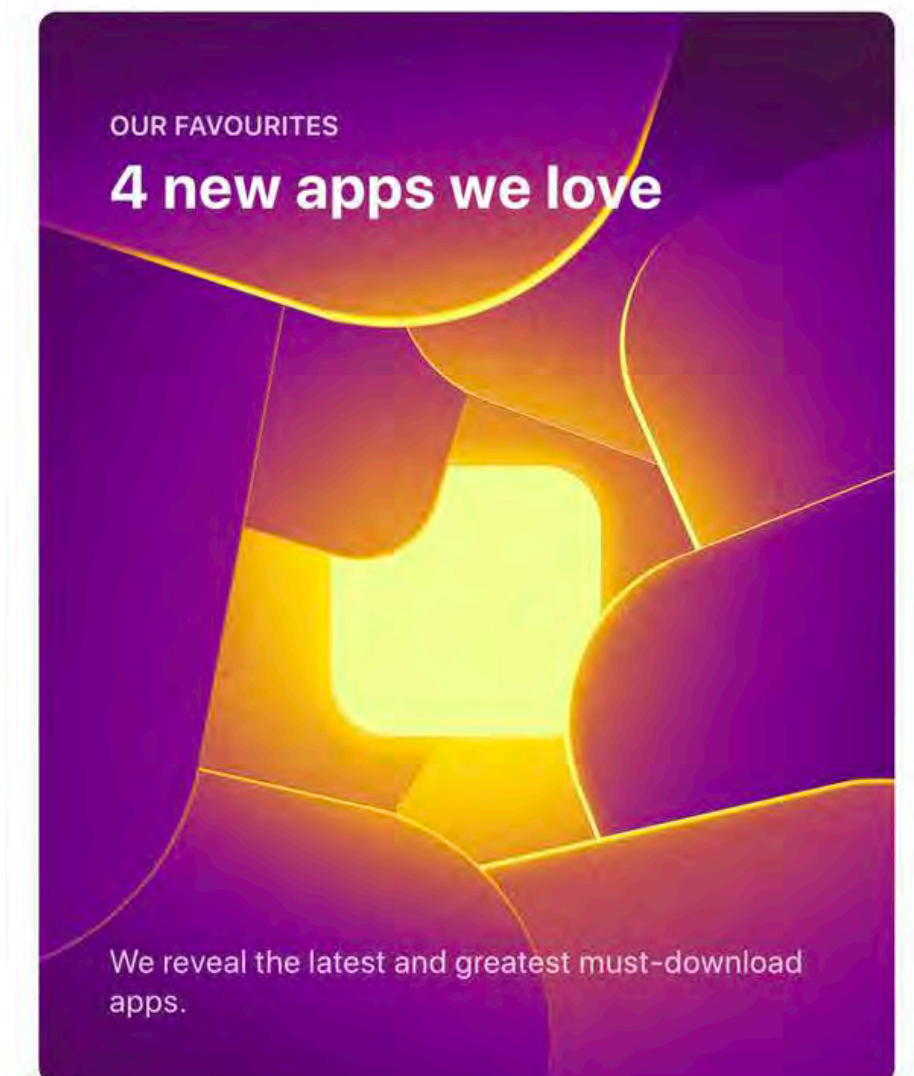

Yep, cannot recommend this app enough. As an inveterate cookbook hoarder with limited space this is an absolute godsend. I think I've used it every day since I got it. Brilliant!

# Testimonials

"The most important thing about CKBK for me is the quality of the information, knowing that the recipes you're finding are vetted and tested. It's information you can trust."

**Joshua Resnick** | ICE Chef-instructor, Culinary Arts

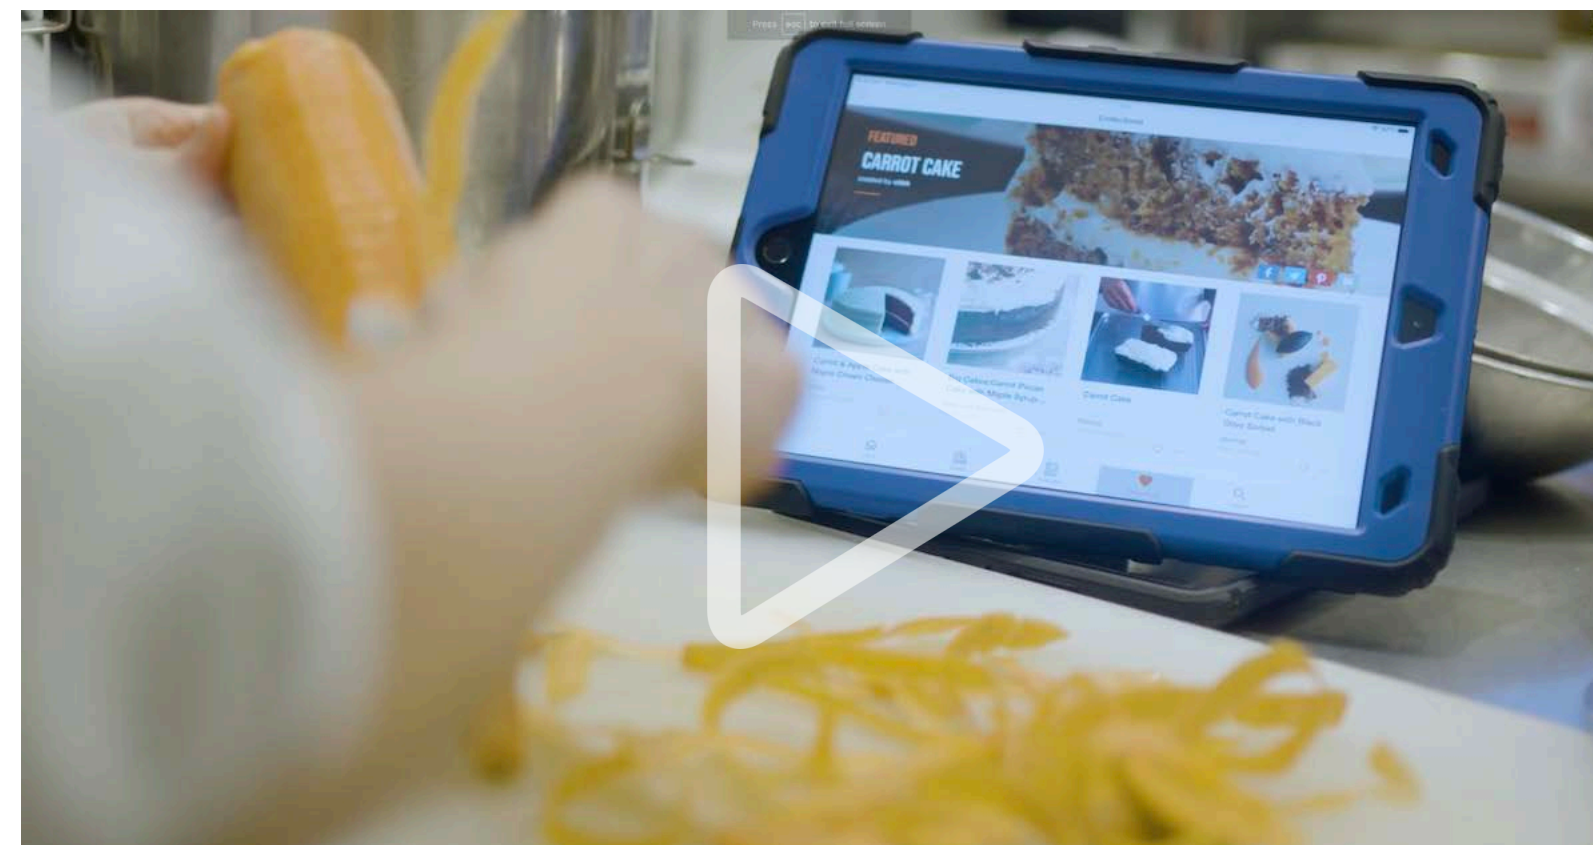

"What I love about CKBK is how easy and simple it is to search by recipe, by chef or by ingredient. For reference, recipes or just plain browsing, you can easily find something you're in the mood for!"

**Jürgen David** | ICE Director of Pastry Research & Development

"Rather than fishing through my cookbook collection, I can type in 'Alaskan halibut' and find the recipe I need from several reputable sources."

**Roger Sitrin** | ICE Lead Recreational Chef Instructor
